

13. CHANGES

- (a) Buyer may at any time, by a written change order or similar instrument issued by a duly authorised representative of Buyer, make changes within the general scope of Buyer's Order including changes to (i) specifications, drawings, designs, or description of Services, (ii) method of shipment or packaging, (iii) reasonable adjustments in quantities or delivery schedules or both, and (iii) place of delivery. Seller shall comply promptly with such direction.
- (b) If Buyer's change order causes an increase or decrease in the cost of performance or in the time required for performance, an equitable agreed upon adjustment shall be made to the Order price and/or delivery schedule and Buyer's Order shall be modified in writing accordingly.
- (c) Buyer's engineering and technical personnel may from time to time render assistance, give technical advice, or exchange information with Seller's personnel in relation to Buyer's Order. Such assistance, advice, and/or exchange of information shall not be construed as Buyer's consent or authority to effect any changes to Buyer's Order or the Goods and/or Services provided thereunder. Under no circumstances shall any resulting change in Goods and/or Services or provisions of Buyer's Order be binding upon Buyer unless incorporated as a change in accordance with paragraph (a), above.

14. TERMINATION FOR CONVENIENCE; CANCELLATION

- (a) Buyer may terminate or cancel performance or work under Buyer's Order, in whole or in part, for any reason, by written notice to Seller. Upon receipt of such notice, Seller shall (i) stop work on the date, and to the extent, specified in the notice, (ii) terminate all lower-tier purchase orders and subcontracts to the extent they relate to the terminated work, (iii) promptly advise Buyer of the quantities of materials and work-in-process on hand or purchased prior to termination, and the most favourable disposition that Seller can make thereof, (iv) comply with Buyer's instructions regarding transfer and disposition of title to the possession of such material and work-in-process, and (v) submit all its claims resulting from such termination within fourteen (14) calendar days of the notice of termination.
- (b) Buyer shall have the right to check such claims at any reasonable time or times by inspecting and auditing the records, facilities, work-in-process, and materials of Seller relating to Buyer's Order. Buyer shall pay Seller the Order price for finished work accepted by Buyer and the substantiated cost to Seller of raw materials and work-in-process apportionable to the terminated work, based on any audit Buyer may conduct under generally accepted accounting principles, less however (i) the reasonable value or cost (whichever is higher) of any items used or sold by Seller without Buyer's consent, (ii) the agreed value of any items used or sold by Seller with Buyer's consent, and (iii) the cost of any defective, damaged, or destroyed work or material.
- (c) Buyer shall make no payment for finished work, work in process, or raw material fabricated or procured by Seller in excess of Buyer's Order. Notwithstanding the above, payments made under this Section shall not exceed the aggregate price specified in Buyer's Order, less payments otherwise made or to be made, and adjustments shall be made reducing the payments hereunder for costs of raw materials and work-in-process to reflect on a pro rata basis any indicated loss on the entire Order had it been completed. Payment made under this Section constitutes Buyer's only liability in the event Buyer's Order is terminated hereunder.

15. TERMINATION FOR DEFAULT

- (a) Buyer may, by written notice to Seller and subject to paragraphs (c) and (d) below, terminate Buyer's Order in whole or in part if: (i) Seller fails to deliver the Goods or to perform the Services within the time specified in Buyer's Order, or any extension authorised by Buyer, (ii) Seller fails to make progress so as to endanger performance of Buyer's Order; (iii) Seller fails to perform any of the other provisions of Buyer's Order, or (iv) Seller is adjudicated bankrupt, files a petition for bankruptcy, makes an assignment for the benefit of creditors, or if an action under any law for the relief of debtors is taken.
- (b) Buyer's right to terminate Buyer's Order under subparagraphs (a)(ii) and (a)(iii) above may be exercised if Seller does not cure such failure within ten (10) calendar days (or more if authorised in writing by Buyer) after receipt of Buyer's notice specifying the failure.
- (c) If Buyer terminates Buyer's Order for default in whole or in part, Buyer may acquire Goods or Services from third parties similar to those terminated, and Seller shall be liable to Buyer for any excess costs for such Goods or Services. However, Seller shall continue performing the portion of the work not terminated.
- (d) Except for defaults of vendors or subcontractors at any tier, Seller shall not be liable for any excess costs if the failure to perform the Order arises as a result of Force Majeure, as defined herein.
- (e) If the failure to perform is caused by the default of a vendor or subcontractor at any tier, and if the cause of the default is beyond the control of both Seller and its vendor(s) or subcontractor(s), and without the fault or negligence of either, Seller shall not be liable for any excess costs for failure to perform unless the purchased Goods or Services were obtainable from other sources in sufficient time for Seller to meet the Order's required delivery schedule.
- (f) If Buyer's Order is terminated for default, Buyer may require Seller to transfer title and deliver to Buyer, as directed by Buyer, any completed Goods, partially completed Goods, and materials, parts, tools, dies, fixtures, plans, drawing, information, and contract rights (collectively referred to as "Manufacturing Materials" in this Section) that Seller has specifically produced or acquired for the terminated portion of Buyer's Order. Upon direction of Buyer, Seller shall also protect and preserve property in its possession in which Buyer has an interest.
- (g) Buyer shall pay the Order price for completed Goods delivered and accepted. Seller and Buyer shall agree on the amount of

payment for the Manufacturing Materials delivered and accepted and for the protection and preservation of the property. Buyer may withhold from these amounts any sum that Buyer determines to be necessary to protect Buyer against loss because of outstanding liens or claims of former lien holders.

(h) If, after termination, it is determined that Seller was not in default, or that the default was excusable, the rights and obligations of the Parties shall be the same as if the termination had been issued for the convenience of Buyer.

(i) The rights and remedies of Buyer in this Section are in addition to any other rights and remedies provided by law, or under Buyer's Order.

16. CONFIDENTIALITY

(a) Buyer may disclose to Seller certain Confidential Information, as defined herein, to facilitate Seller's performance of Buyer's Order. Seller hereby agrees that any Confidential Information disclosed by Buyer (i) shall be maintained in a secure location, (ii) shall not be copied without the prior written approval of Buyer, (iii) shall be used by Seller solely to facilitate performance of Buyer's Order; and (iv) shall only be disclosed to Seller's employees on a need-to-know basis.

(b) Seller shall not disclose Buyer's Confidential Information to any third-parties, including, but not limited to, Seller's agents, consultants, vendors, suppliers, or subcontractors, without the prior written approval of Buyer. In the event Buyer provides Seller with written approval to disclose Confidential Information to a third-party, Seller shall ensure such third-party is bound by terms and conditions consistent with this Section prior to receiving such information.

(c) If it becomes necessary for Seller to disclose Buyer's Confidential Information to a third-party as a result of a requirement of law or regulation, such Confidential Information may be disclosed only to the extent required by law or regulation and, if so permitted, no earlier than five (5) business days after Seller provides Buyer with written notification of the requirement for such disclosure.

(d) The obligations of confidentiality and restrictions on the use and disclosure of Confidential Information specified in this Agreement do not apply to any information that (i) is lawfully and rightfully already in the possession of Seller without obligation of confidentiality at the time of receipt from Buyer, (ii) is independently developed by Seller without use or reference to the Confidential Information as evidenced by tangible evidence, (iii) appears in any printed publication or patent, or is in the public domain, except as a result of a breach of this Agreement by Seller, or (iv) is lawfully and rightfully received, free of restrictions, by Seller from a third-party not known by Seller to be under any nondisclosure or confidentiality obligation or to have misappropriated or otherwise unlawfully obtained such information.

(e) All Confidential Information and any other technical information provided by Buyer to Seller shall at all times be and remain the property of Buyer and shall only be used by Seller in connection with Seller's performance of Buyer's Order. Unless agreed otherwise, Seller shall return all copies of Confidential Information provided by Buyer upon completion of Buyer's Order or at any time upon Buyer's request.

(f) "Confidential Information", as used herein, includes, but is not limited to, specifications, drawings, designs, technical data, data sheets, schematics, diagrams, configurations, business, financial, statistical, and commercial information, formulae, analyses, trade secrets, ideas, methods, processes, know-how, software, and computer programs.

17. PROPRIETARY RIGHTS

(a) Unless otherwise agreed in writing, all tangible and intangible property, including, but not limited to, information or data of any description, drawings, computer software, know-how, documents, trademarks, or copyrights ("Buyer's Intellectual Property") provided by Buyer to Seller, or paid for by Buyer under Buyer's Order, shall be and remain Buyer's personal property. Buyer hereby grants a license to Seller to use any such Buyer's Intellectual Property solely for the purposes of performing Buyer's Order. This license is non-assignable, and may be terminated with or without cause by Buyer at any time.

(b) Buyer recognises and agrees that, unless otherwise agreed in writing between the Parties, the above rights and ownership of such rights shall not extend to or encompass any intellectual property owned, developed, or conceived by Seller prior to, or not in connection with, Buyer's Order.

18. BUYER-OWNED MATERIALS AND PROPERTY

All materials, tools, designs, dies, fixtures, materials, and other property owned or paid for, or agreed to be paid for, by Buyer ("Buyer-Owned Materials"), whether directly noted on the face of Buyer's Order or included by Seller in the prices of Goods, shall be and remain the property of Buyer. All Buyer-Owned Materials (a) shall be used only for performance of Buyer's Order, (b) shall at all times be properly protected and maintained by Seller, (c) shall be covered, at Seller's expense, by adequate liability, damage, and fire insurance for the replacement cost, (d) shall not be conflated with the property of Seller or others, (e) shall not be moved from Seller's premises without prior written authorisation of Buyer, and (f) shall, upon Buyer's request, be immediately returned to Buyer in good condition, reasonable wear and tear excepted. Seller shall assume all risk of loss or damage to Buyer-Owned Materials while such are in the custody of Seller.

19. PUBLIC RELEASES

Except as required by law or regulation, no news releases, public announcements, or advertising materials regarding Buyer's Order shall be issued by Seller without the prior written consent of Buyer. Seller shall extend this restriction to all lower-tier vendors and subcontractors involved in the performance of Buyer's Order.

20. INDEMNIFICATION

Each Party (the "Indemnifying Party") agrees to indemnify, defend, and hold harmless the other Party, its officers, directors, and employees (the "Indemnified Parties") from and against any and all liabilities, losses, expenses, liens, claims, demands, and causes of action ("Claims") for death, personal injury, or property damage arising out of any negligent act or omission of the Indemnifying Parties in the performance of Buyer's Order, except to the extent such losses are contributed to by (a) the negligence or willful misconduct of the Indemnified Party, or (b) the negligence or willful misconduct of any third-parties related to the Indemnified Party. Buyer's indemnification of Seller does not apply unless Seller (a) notifies Buyer in writing of any such Claim as soon as reasonably practicable, and (b) allows Buyer to control, and reasonably cooperates with Buyer, in the defence of any such Claim and related settlement negotiations.

21. INSURANCE

- (a) Where the Seller undertakes to supply Goods or Services then the Seller shall insure against all losses claims demands proceedings costs charges and expenses for injury (including death) or damage to any person or property arising out of any and all occurrences which are the result of the fault or negligence of the Seller in the supply of the Goods or Services and any other liabilities covered under the Conditions. (b) The indemnity limit shall be not less than £10,000,000 (ten million pounds sterling) for each occurrence or such other sum as may be specified in the Order. (c) The Seller will whenever requested by the Buyer produce to the Buyer a copy of the policy and the receipts for payment of the current premium. (d) In the event that the Seller fails to comply with this condition the Buyer may at its option provide such insurance and the Seller shall be obliged promptly to reimburse the Buyer for all costs incurred.

22. LIMITATION OF LIABILITY

Except for (a) infringement of third party patents and intellectual property, (b) noncompliance with the Counterfeit Parts section herein, and (c) violations of law, under no circumstances shall either Party be liable for any consequential, special, incidental, indirect, multiple, administrative, or punitive damages, or any damage of an indirect or consequential nature arising out of or related to its performance under Buyer's Order, including, without limitation, loss of use, loss of revenues, loss of anticipated profits, and cost of capital, whether based upon breach of Buyer's Order, warranty, negligence, or any other type of Claim, and whether grounded in tort, contract, civil law, or other theories of liability, including strict liability, even if advised in advance of the possibility of such damages. Buyer's total liability arising from or related to Buyer's Order, including, but not limited to, its liability for indemnity, defence, and hold harmless obligations under Buyer's Order, is limited to no more than the amount paid by Buyer to Seller under Buyer's Order, and Seller agrees to indemnify Buyer for any excess amounts. To the extent that this limitation of liability conflicts with any other Section or provision herein, such provision shall be regarded as amended to whatever extent required to make such provision consistent with this Section.

23. NOTICE TO BUYER OF LABOUR DISPUTES

Whenever Seller has knowledge that any actual or potential labour dispute is delaying or threatens to delay the timely performance of Buyer's Order, Seller shall immediately give notice to Buyer thereof, including all relevant information with respect thereto.

24. ETHICS AND VALUES

Seller supports Product Safety by strict adherence to Buyer requests and best practice, and is committed to performance excellence, especially when contributing to the success of Critical Items and Key Characteristics.

27. ORDER OF PRECEDENCE

The following order of precedence shall apply in the event of an inconsistency within Buyer's Order and its related documents, as applicable:

- (a) Buyer's Order
- (b) Buyer's Special Terms and Conditions of Purchase
- (c) Buyer's General Terms and Conditions of Purchase
- (d) Specification
- (e) Statement of Work or Scope of Services

28. COMPLIANCE WITH LAW

- (a) In performance of Buyer's Order, the provision of Services, and/or the shipment of Goods covered by Buyer's Order, as applicable, Seller agrees to comply with (and to bear all expense required for compliance) all applicable laws, rules, and regulations

29. EXPORT COMPLIANCE

- (a) Shipment of Goods, provision of Services, and delivery and use of technical information under Buyer's Order is subject to all decrees, statutes, laws, rules, and regulations which govern export, re-export, or otherwise pertain to export controls, including, but not limited to, the United States Department of Commerce Export Administration Regulations (EAR), and the United States Department of State International Traffic in Arms Regulations (ITAR). Seller hereby agrees to indemnify Buyer for all liabilities, penalties, losses, damages, costs, or expenses that may be imposed on or incurred by Buyer in connection with any violations of such laws and regulations by Seller.
- (b) Information furnished to Seller under Buyer's Order may contain technical data, as defined in ITAR Section 120.10. Seller is advised and hereby acknowledges that such technical data, relating to export controlled items appearing on the U.S. Munitions List (USML) at ITAR Section 121, may not be exported, disclosed, or transferred, as defined in ITAR Section 120.17, to any foreign person (whether in the United States or abroad), as defined in ITAR Section 120.16, without first complying with all relevant requirements of ITAR Sections 120-130 (22 CFR 120-130), including the requirement for obtaining any written export authorisation from the United States Department of State, Directorate of Defense Trade Controls (DTC), or otherwise make and document the determination that an ITAR licensing exemption applies, as the case may be.

- (d) Seller is further advised that if it engages in the United States in the business of either manufacturing or exporting defense articles as defined in ITAR Section 120.6 or defense services as defined in ITAR Section 120.9, then Seller is required by ITAR Section 122 to register with the DTC. Manufacturers of defense articles who do not engage in exporting of same must nevertheless register with the DTC. Registration does not by itself confer export rights or privileges, but is generally a precondition to the issuance of any license or other approval by the DTC.
- (e) Information furnished to Seller under Buyer's Order, if not regulated by the ITAR, may contain technical data, as defined in the United States Department of Commerce, Bureau of Industry and Security (BIS), Export Administration Regulations (EAR) Part 772 (15 CFR 772) relating to export-controlled items appearing on the Commerce Control List (CCL) at EAR Part 774 (15 CFR 774). Seller is advised

and acknowledges that such technical data may not be exported out of the United States, or to a foreign person in the United States, as defined in EAR Part 772, without complying with all relevant requirements of EAR Parts 730-774 (15 CFR 730-774), including the requirement to obtain any written export authorisation from BIS, or to otherwise make and document the determination that a license exception applies, as the case may be.

(f) If performance under Buyer's Order requires Seller to export or re-export, as defined in EAR Part 772, commodities, technology, or software as defined in EAR Part 772, that do not relate to items appearing on the USML, but do relate to items appearing on the CCL, Seller is advised and hereby acknowledges that such commodities, technology, or software may not be exported out of the United States, re-exported from one foreign country to another foreign country, or to a foreign person outside of the United States without complying with all relevant requirements of EAR Parts 730-774, including the requirement to obtain any written export authorisation from BIS, or to otherwise make and document the determination that a license exception applies, as the case may be.

The Parties agree that any dispute that cannot be resolved amicably shall be referred to and finally resolved by arbitration under the Rules of the London Court of International Arbitration. The number of arbitrators shall be one. The seat or legal place of arbitration shall be London. The language to be used in the arbitration shall be English

32. MODIFICATIONS TO ORDER

Buyer's Order may only be modified by written instrument, approved by a duly authorised representative of Buyer.

33. NOTICES

All notices given by the Parties shall be made in writing and delivered personally or sent by prepaid recorded mail or email, addressed to the intended recipient at its address, or at its electronic address. Regardless of the method of transmittal, the sending Party is responsible for obtaining a return receipt for the notice.

34. ASSIGNMENT

Neither Party may assign, delegate, sublicense, or transfer, whether by operation of law or otherwise, their obligations or rights hereunder without the other Party's written consent, and any assignment, delegation, sublicense, or transfer (a) without such written consent is void and of no effect, and (b) if consent is given, shall be binding upon, and inure to the benefit of the successors and assigns of the Parties. Notwithstanding any provision of these terms and conditions, Buyer may, without Seller's consent, assign Buyer's Order to a parent, subsidiary, or affiliate company of Buyer. In addition, without securing such prior consent, Buyer shall have the right to assign Buyer's Order to any successor, by way of merger or consolidation, or the acquisition of substantially all of the entire business and assets of Buyer relating to the subject matter of Buyer's Order, provided that such successor shall expressly assume all of Buyer's obligations and liabilities under Buyer's Order.

35. REMEDIES

The remedies herein reserved shall be cumulative and in addition to any other or further remedies provided by law or equity. The failure of Buyer to insist upon, in any one or more instances, the performance of any of the terms, covenants, or conditions of Buyer's Order, or to exercise any right hereunder, shall not be construed as a waiver or relinquishment of the future performance of any such item, covenant, or condition or the future exercise of such right, and the obligation of Seller, with respect to such future performance, shall continue in full force and effect. None of the Sections, terms, conditions, or provisions herein shall be waived by any act or knowledge on the part of Buyer, except by written instrument signed by a duly authorised representative of Buyer. The waiver by Buyer of any term, condition, provision, or right hereunder, or the failure to enforce at any time any of the terms and conditions herein, or any rights with respect thereto, is not a continuing waiver or a waiver of any other rights, or of any material breach or failure of performance of Seller. The

remedies herein reserved or created for Buyer shall be cumulative, and additional to any other or further remedies provided at law or in equity. Buyer may remedy any breach of the terms or conditions hereof without waiving the breach remedied, or without waiving any other prior or subsequent breach. Seller shall pay all Buyer's costs and expenses, including Lawyers fees, incurred by Buyer in exercising any of its rights or remedies hereunder, or enforcing any of the terms or conditions hereof.

36. SEVERABILITY

If any term, condition, or provision herein is invalid, ineffective, or unenforceable under present or future laws, then the remainder of the terms, conditions, and provisions shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated.

37. PARTIES

The Parties to any Offer, Order, or associated transaction, are Buyer and Seller as identified above and unless expressly stated otherwise, no other persons, parties, or entities have any rights, or receive any benefits hereunder.

38. HEADINGS

The headings used herein are for reference purposes only and shall not affect the meaning or interpretation of any term, condition, or provision herein.

39. SURVIVAL

Any Section or provision herein which contemplates performance or observance subsequent to any termination or expiration of the Order, or which by its nature should survive, shall survive any termination or expiration of Buyer's Order and continue in full force and effect.

40. FORCE MAJEURE

Any delay or failure of either Party to perform its obligations under Buyer's Order shall be excused if such delay or failure is the result of an unforeseeable event or occurrence beyond the reasonable control of such Party, and without such Party's fault or negligence, including, but not limited to, acts of God, actions by any governmental authority, terrorism, fires, floods, windstorms, explosions, riots, natural disasters, wars, sabotage, labour problems (including lockouts, strikes, and slowdowns), inability to obtain power, utilities, materials, equipment, transportation, or court injunction.
